

Jellyfish Craft

Materials

Crayons/Pencils/Felt tip pens
Scissors
Glue and Sellotape
Paper plate/Cardboard
Tissue paper
Bubble wrap– or shredded plastic bag

Method

Step 1- Cut plate in half or cut some cardboard into a semi-circle.

Step 2- Colour in using your imagination or by copying a picture of a Jellyfish.

Step 3- Give the jellyfish some eyes and a smile!

Step 4- Cut strands of bubble wrap and tissue paper. You can also use old plastic bags!

Step 5- Turn over plate and place selection of strands on the back hanging down from edge.

Step 6- Sellotape or glue into place.

Step 7- Make a bloom of Jellyfish with different colours!
