

## Seal Craft

### Materials

Crayons/Pencils/Felt tip pens

Scissors

Glue or Double sided tape

3 Split pins

Coloured card (any)

Blue card

Print out template from website on white card or paper

### Method

Step 1- Colour in Seal pieces using your imagination.

Step 2- Cut out pieces of Seal.

Step 3- Make holes where indicated on template – on the neck, tail and flippers. You may need an adult to help with this.

Step 4- Glue main body piece (biggest one) to blue background.

Step 5- Put split pins through each hole, attaching pieces together.

Step 6- Cut out seaweed and little fish out of coloured card using your imagination and decorate the area around the Seal.

Step 7- Stick on seaweed and fish with glue.

Step 8- Give the Seal a name and make them swim!
